

# BETTY AND THE KID

## PRESS / QUOTES

### PRESENTERS SAY

“Betty & The Kid are a truly original folk-hop duo that will captivate any audience. Their unique blend of folk and hip hop features some beautiful harmonies that will pull on your heart strings and keep you wanting more.”

“The most original and captivating act of 2017 at Record City are not to be missed!”

### AUDIENNCE MEMBERS SAY

“This couple is a riot! She sings into an old telephone!! So cool.”

“Seeing you both play at Koksilah Festival changed my life. In the hundreds of live shows that I have seen, never before have I had tears well up in my eyes for an entire set.”

“Betty and the kid offers up a sound that is soul-quenching.”

“The stories behind the songs, the deep connect between the two of them as musicians and lovers, it’s all a divine and unique package.”

“Your music makes me feel at home in my heart in all the beautiful torment of the world.”

## BIO

Betty Supple and Aubrey Burke (AKA the Kid) combine good vintage folkloric music with their own freaky, wild child styles. Working hard at playtime and digging deep down to excavate the subconscious with autoharp, drum-beat, violin, playtime machines and pedals. Betty & the Kid bring cheeky, playful and candle kissing reverence to the party.
